Hare Of The Dog back to original lineup

we are delighted to announce that Hare Of The Dog are back to their original lineup, a lot has happened over the last few months with lineup changes and people going on to other things, everybody is happier now so lets all look forward band members past and present to the future and get back to the music, no ill will whatsoever,cos the music thats what we all love,back where he belongs is the wonderful dude Mr Andy Kay, who has had a 4 month break due to some work commitments and is playing awesomely, and seemed to do an impression of renowned bass player Billy Sheehan at last nights rehearsal!, Andy my friend we salute you god bless ya

permanent lineup is now officially

Steve lead vocals

Ken drums and percussion

Andy bass and backing vocals

Robert guitar and backing vocals

now lastly and very importantly we must extend absolute heartfelt and mega thanks, to a man who kindly stepped in to help us thru these hard times step forward Mr Mike Collinge, who has been deputising for the last few months while we tried to sort the permanent bass player situation, Mike is an amazing bass guitarist and a pleasure to play in a band with, definitely keeping in touch buddy cos you are a star and a damn nice bloke as well, cheers!! ,check out Mikes bass playing wherever you get the chance, he cool
